

# Erratum to: Evolution of adult respiratory syncytial virus detection: impact of testing strategy changes and pandemic-related measures at a Swiss regional hospital, 2016–2023

Unfortunately, the original version of the article “Evolution of adult respiratory syncytial virus detection: impact of testing strategy changes and pandemic-related measures at a Swiss regional hospital, 2016–2023” (Swiss Med Wkly. 2025;155:4324, doi: <https://doi.org/10.57187/s.4324>) omitted Dr Robert Escher's second affiliation. The additional affiliation is “Department of General Internal Medicine, Inselspital, University Hospital Bern, University of Bern, Bern, Switzerland”.

This correction has been made to the online version as of 15 December 2025.
